Dynamic and innovative professional Graphic Designer with 6+ years of invaluable hands-on experience in handling several simultaneous creative design projects, concept creation, graphic design, UI Design, and visual conceptualization. Equipped with the ability to escalate brand awareness by utilizing skills gained in the creative industry, being able to identify opportunities, overcome objections, build long-term mutually beneficial relationships with vendors, workforce, and clients, establishing a successful and lucrative company.

My background includes corporate, agency and freelance graphic design experience, with a history of leading print, interactive and digital design projects to acclaimed completion. I have worked on nationwide and international marketing, advertising, product launch and image campaigns for global brands and companies, including ECA Global, Snap fitness, Vistaprint, and Victoria University as well as a host of startup and mid-size businesses.
